» **Why use the
EasyBeltRoller ?**

- Efficient and easy to use, install it on the winch in seconds;
- Roll the straps 5 times faster than hand-rolling;
- Affordable, compact and resistant, it is made for the roughest climate;
- Allow you to roll the straps on the winch at a secure distance;
- Lightweight, ergonomic, its movement is natural and helps prevent injuries such as tendonitis;
- Useful when the weather is not favorable as in rainy or cold weather;
- Only one EasyBeltRoller necessary by trucker or trailer.
